TINOS. LUXURY YOU CAN AFFORD.

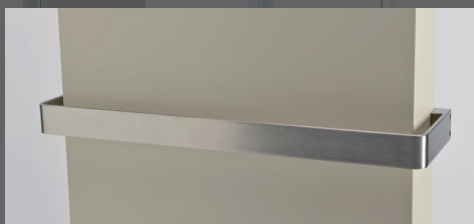

Part of our new online range, the **TINOS** is a modern and stylish vertical radiator. It has a chic and attractive design and the beautiful, elegant and minimalist flat fronted panel will make a stunning impact in any room. The **TINOS** achieves all this without any compromise on style, as underneath is a high performance radiator that delivers outstanding heat outputs.

- Available to purchase online via the Purmo website
- Comes in range of widths and a height of 1950mm
- Type 11 and type 21 models
- Your choice of White, Aluminium or Black Metallic finish
- All models available from stock with a 3-5 working day delivery

ACCESSORIES

The **TINOS** is perfect for any living space. Optional accessories include an attractive stainless steel towel bar, making it a practical and beautiful bathroom radiator

Purmo supply a range of valves suitable for **TINOS**.

The two-pipe valve set straight and the two pipe valve set angled are both available in white and chrome and include adaptor nipples and a thermostat button.

COLOUR OPTIONS

TINOS is available in three stocked colours so you can personalise your room how you want. Our Metal Black, Metal Aluminium and White finishes will make a bold statement in any room.

If you like **TINOS**, you may also like **PAROS**, also part of our Inspire Range.
